

CAMP Reader's Theater™

Looking for Fun, Educational, and Easy-to-Implement Summer School Activities?

Nearly all students experience **summer learning loss**, but with proper engagement in learning over the summer, it is possible to minimize or eliminate summer learning loss in reading, and even help **close the achievement gap** between disadvantaged and privileged students. Reader's theater is the most practical form of social interactive reading, and supported by research as a valuable tool for building fluency, making it a must for summer learning! **Camp Reader's Theater™ kits** for summer school programs are available for either **Grades K-2, 3-5, or 6-8** with your choice of either **four, six, or eight stories** included in each. Camp Reader's Theater™ kits are designed for use over a period of weeks with one story read per week. **Each kit comes with a convenient Story Rotation Chart** showing how to divide the students into groups to take turns reading and performing each story and utilizing the accompanying supplemental activities. Award Certificates are included for picking best performances in several acting and participation categories.

Each Kit includes.... 6 book copies for each story, Teacher's Guide, Classroom Implementation DVD, Reading Assignment Guide, Performance Award Certificates, One cross-curricular Supplemental Activity Packet master for each story, Step by Step Implementation Packet, training webinar, and Story Rotation Chart. *Mini Costume Kits (one costume per reader) and Take Center Stage Reader's Theater Games are optional.
